Re: Duquesne Light Company – Results for the March 18, 2019 Request for Proposals

Dear Mr. Peoples:

On March 19, 2019, CRA International, Inc. d/b/a Charles River Associates filed Duquesne Light Company's (DLC) results of its DSP VIII procurement process and rules for the March 2019 Solicitation for DLC's default service customers. The March 2019 Solicitation results include the bid results for Full Requirements Request for Proposals (RFP) for five products in a Fixed Price Auction for the supply of residential, small commercial & industrial (C&I), and medium C&I customers who will receive default service from DLC within the period June 1, 2019 through May 31, 2021. The March 2019 Solicitation results also include one product in an Hourly Price Auction for DLC's large C&I customers for the 12-month period June 1, 2019 through May 31, 2020. All products were procured via declining clock auctions.

This filing was submitted in accordance with the RFP Process and Rules that were approved as modified by the Commission's Order, entered December 22, 2016, at Docket No. P-2016-2543140. DLC requests that the Commission approve the bid results of the March 2019 Solicitation on or before March 20, 2019.

Further investigation does not appear to be warranted at this time, since the results of the March 2019 Solicitation appear to have been conducted in accordance with the RFP Process and Rules as approved by the Commission.

Therefore, we direct DLC to disclose the results of this March 2019 Solicitation in accordance with the Commission's Secretarial Letter in Re: Disclosure of Default Service Solicitation Results and Creation of a Default Service Rate Calculation Model, issued October 12, 2010 at Docket No. M-2009-2082042.

Please direct any questions to Debra Backer, Energy Supervisor, Bureau of Technical Utility Services, at (717) 783-9787.

Sincerely,

Rosemary Chiavetta
Secretary
