Re: Duquesne Light Company – Results for Request for the September 9, 2019 Request for Proposals

Dear Mr. Peoples:

On September 10, 2019, CRA International, Inc. d/b/a Charles River Associates filed Duquesne Light Company's (DLC) results of its DSP VIII procurement process and rules for the September 2019 Solicitation for DLC's default service customers. The filing includes bid results for a Full Requirements RFP for the supply for five products in a Fixed Price Auction for the supply of residential, small commercial & industrial (C&I), and medium C&I customers who will receive default service from DLC within the period December 1, 2019 through November 30, 2021. These products were procured via the declining clock auction format.

This filing was submitted in accordance with the RFP Process and Rules that were approved as modified by the Commission's Order, entered December 22, 2016, at Docket No. P-2016-2543140. DLC requests that the Commission approve the bid results of the September 2019 Solicitation on or before September 11, 2019.

Further investigation does not appear to be warranted at this time, since the results of the September 2019 Solicitation appear to have been conducted in accordance with the RFP Process and Rules as approved by the Commission.

Therefore, we direct DLC to disclose the results of this September 2019 Solicitation in accordance with the Commission's Secretarial Letter in Re: Disclosure of Default Service Solicitation Results and Creation of a Default Service Rate Calculation Model, issued October 12, 2010 at Docket No. M-2009-2082042.

Please direct any questions to Debra Backer, Energy Supervisor, Bureau of Technical Utility Services, at (717) 783-9787.

Sincerely,

Rosemary Chiavetta
Secretary
